### **2009 ROSE OF PINOT NOIR**

Don't be fooled by the pink hue, close your eyes and drink because this Rosé is a robust Pinot Noir at heart. Aromas of apricot, candied apple and marshmallow ambrosia melt into flavors of ruby grapefruit, papaya and strawberry. Gingersnap punctuates the lingering finish. Pair with grilled poultry, salmon and veggies; this big, dry Rosé loves food... and it sells out before summer is over.
